Invites you to join for a two day jnana yajna
on
Logic of Spirituality

As an introduction to Vedanta., The logic of Spirituality answers questions such as "Why God? What is God? If He exists, where is He?
What is my relationship with God and with the world?"

Attend the Jnana yajna to learn about the unerring logic, leading the intelligent and educated individual through reason, to the one Reality supporting this universe. Through the Body (B), Mind (M), Intellect (I), The Perceiver (P), Feeler (F), Thinker (T) becomes enmeshed in the world of Objects (O), Emotions (E), and Thoughts (T). But when we transcend our Vasanas (V), we realize our true Self, OM the Supreme Reality.
